Wheee! Hosta *Hosta 'Wheee!'*

Plant Height: 15 inches

Flower Height: 24 inches

Spread: 28 inches

Spacing: 24 inches

Sunlight: ● ●

Hardiness Zone: 3

Other Names: Plantain Lily, Funkia

Description:

A green leaf center with lovely cream margins; leaf is oblong shaped, and heavily ruffled; spikes of pale lavender flowers in mid-summer; a stunning specimen in the garden or border

Ornamental Features

Wheee! Hosta features dainty spikes of lavender tubular flowers rising above the foliage in mid summer. Its attractive twisted oval leaves remain green in color with distinctive creamy white edges throughout the season. The fruit is not ornamentally significant.

Landscape Attributes

Wheee! Hosta is a dense herbaceous perennial with tall flower stalks held atop a low mound of foliage. Its medium texture blends into the garden, but can always be balanced by a couple of finer or coarser plants for an effective composition.

This is a relatively low maintenance plant, and is best cleaned up in early spring before it resumes active growth for the season. Gardeners should be aware of the following characteristic(s) that may warrant special consideration;

- Insects

Wheee! Hosta is recommended for the following landscape applications;

Planting & Growing

Wheee! Hosta will grow to be about 15 inches tall at maturity extending to 24 inches tall with the flowers, with a spread of 28 inches. When grown in masses or used as a bedding plant, individual plants should be spaced approximately 24 inches apart. Its foliage tends to remain dense right to the ground, not requiring facer plants in front. It grows at a slow rate, and under ideal conditions can be expected to live for approximately 10 years.

This plant does best in partial shade to shade. It prefers to grow in average to moist conditions, and shouldn't be allowed to dry out. It is not particular as to soil type or pH. It is somewhat tolerant of urban pollution. This particular variety is an interspecific hybrid. It can be propagated by division; however, as a cultivated variety, be aware that it may be subject to certain restrictions or prohibitions on propagation.

We are so proud of the nursery stock that we have carefully selected for superior quality and performance, WE GUARANTEE ALL TREES, SHRUBS, EVERGREENS & VINES FOR 2 YEARS; ROSES FOR 1 YEAR!
