Pink Snow Showers™ Weeping Cherry

Prunus 'Pishnshzam'

Height: 25 feet

Spread: 20 feet

Sunlight:

Hardiness Zone: 3

Description:

A visually stunning, weeping variety that is blanketed in soft pink flowers in early spring before the leaves; lovely golden fall color; full sun and well-drained soil; vigorous, hardy, with good disease resistance

Ornamental Features

Pink Snow Showers Weeping Cherry is covered in stunning clusters of fragrant pink flowers along the branches in early spring before the leaves. It has dark green deciduous foliage which emerges coppery-bronze in spring. The pointy leaves turn gold in fall. The smooth dark red bark adds an interesting dimension to the landscape.

Landscape Attributes

Pink Snow Showers Weeping Cherry is a deciduous tree with a rounded form and gracefully weeping branches. Its average texture blends into the landscape, but can be balanced by one or two finer or coarser trees or shrubs for an effective composition.

This tree will require occasional maintenance and upkeep, and is best pruned in late winter once the threat of extreme cold has passed. Gardeners should be aware of the following characteristic(s) that may warrant special consideration;

- Disease

Pink Snow Showers Weeping Cherry is recommended for the following landscape applications;

- Accent

- Shade

Planting & Growing

Pink Snow Showers Weeping Cherry will grow to be about 25 feet tall at maturity, with a spread of 20 feet. It has a low canopy with a typical clearance of 2 feet from the ground, and is suitable for planting under power lines. It grows at a medium rate, and under ideal conditions can be expected to live for 50 years or more.

This tree should only be grown in full sunlight. It does best in average to evenly moist conditions, but will not tolerate standing water. It is not particular as to soil pH, but grows best in rich soils. It is highly tolerant of urban pollution and will even thrive in inner city environments, and will benefit from being planted in a relatively sheltered location. This particular variety is an interspecific hybrid.

***We are so proud of the nursery stock that we have carefully selected for superior quality and performance,
WE GUARANTEE ALL TREES, SHRUBS, EVERGREENS FOR 2 YEARS, AND ROSES FOR 1 YEAR!***
