Height: 24 inches

Spread: 24 inches

Spacing: 18 inches

Sunlight: ○ ◐ ●

Hardiness Zone: (annual)

Other Names: Princess Dollar Fuchsia

Description:

An exceptional, colorful selection, featuring huge, royal purple double blooms, with bright scarlet sepals; very attractive to hummingbirds; perfect for patio pots or hanging baskets, in sun or shade

Ornamental Features

Dollar Princess Fuchsia features showy nodding double deep purple bell-shaped flowers with scarlet overtones hanging below the branches from mid spring to mid fall. Its pointy leaves remain green in color throughout the year.

Landscape Attributes

Dollar Princess Fuchsia is a dense multi-stemmed annual with an upright spreading habit of growth. Its medium texture blends into the garden, but can always be balanced by a couple of finer or coarser plants for an effective composition.

This is a relatively low maintenance plant, and should only be pruned after flowering to avoid removing any of the current season's flowers. It is a good choice for attracting hummingbirds to your yard. Gardeners should be aware of the following characteristic(s) that may warrant special consideration;

- Insects

Dollar Princess Fuchsia is recommended for the following landscape applications;

- Accent
- General Garden Use
- Container Planting
- Hanging Baskets

Planting & Growing

Dollar Princess Fuchsia will grow to be about 24 inches tall at maturity, with a spread of 24 inches. When grown in masses or used as a bedding plant, individual plants should be spaced approximately 18 inches apart. Although it's not a true annual, this plant can be expected to behave as an annual in our climate if left outdoors over the winter, usually needing replacement the following year. As such, gardeners should take into consideration that it will perform differently than it would in its native habitat.

This plant performs well in both full sun and full shade. However, you may want to keep it away from hot, dry locations that receive direct afternoon sun or which get reflected sunlight, such as against the south side of a white wall. It does best in average to evenly moist conditions, but will not tolerate standing water. It is not particular as to soil pH, but grows best in rich soils. It is somewhat tolerant of urban pollution. This particular variety is an interspecific hybrid.

Dollar Princess Fuchsia is a fine choice for the garden, but it is also a good selection for planting in outdoor containers and hanging baskets. With its upright habit of growth, it is best suited for use as a 'thriller' in the 'spiller-thriller-filler' container combination; plant it near the center of the pot, surrounded by smaller plants and those that spill over the edges. It is even sizeable enough that it can be grown alone in a suitable container. Note that when growing plants in outdoor containers and baskets, they may require more frequent waterings than they would in the yard or garden.

We are so proud of the nursery stock that we have carefully selected for superior quality and performance, WE GUARANTEE ALL TREES, SHRUBS, EVERGREENS FOR 2 YEARS, AND ROSES FOR 1 YEAR!
